19 NYCRR PART 1203

g) Operating permits.

(1) Operating permits shall be required for conducting the activities or using the categories of buildings listed below:

(i) manufacturing, storing or handling hazardous materials in quantities exceeding those listed in Tables 2703.1.1(1), 2703.1.1(2), 2703.1.1(3) or 2703.1.1(4), of the Fire Code of New York State (see 19 NYCRR Part 1225);

(ii) hazardous processes and activities, including but not limited to, commercial and industrial operations which produce combustible dust as a byproduct, fruit and crop ripening, and waste handling;

(iii) use of pyrotechnic devices in assembly occupancies;

(iv) buildings containing one or more areas of public assembly with an occupant load of 100 persons or more; and

(v) buildings whose use or occupancy classification may pose a substantial potential hazard to public safety, as determined by the government or agency charged with or accountable for administration and enforcement of the Uniform Code.

(2) Parties who propose to undertake the types of activities or operate the types of buildings listed in paragraph (1) of this subdivision shall be required to obtain an operating permit prior to commencing such operation. An application for an operating permit shall contain sufficient information to permit a determination those quantities, materials, and activities conform to the requirements of the Uniform Code. Tests or reports necessary to verify conformance shall be required.

(3) An inspection of the premises shall be conducted prior to the issuance of an operating permit.

(4) A single operating permit may apply to more than one hazardous activity.

(5) Operating permits may remain in effect until reissued, renewed or revoked or may be issued for a specified period of time consistent with local conditions.

(6) Where activities do not comply with applicable provisions of the Uniform Code, an operating permit shall be revoked or suspended
