Final Inspection Date

This permit is granted subject to the following conditions:

1. Prior to proceeding, stake out driveway and post Building Permit Number. Contact the Highway Department at (845)361-1106 for on-site inspection and instructions as to Town of Wallkill specifications. Items of typical concern are adequate sight distance, 10 foot minimum distance from adjacent property line, compliance with approved subdivision plans; adequate roadside drainage provisions and verification that surface runoff will not enter the street.
2. Driveway must have final inspection and approval before a Certificate of Occupancy inspection is done by the Building Inspector.
3. If the onset of winter weather prevents the driveway from being finished the Applicant may escrow with the Town a deposit in the form of a Bank Check to insure completion of the remaining work. If the work is not completed within 6 months of occupancy the Town reserves the right to perform the outstanding work and retain all or a portion of the monies deposited to offset the cost of doing so. The deposit schedule is as follows:

a. Residential Rural (no curbs)	\$1,500.00
b. Residential Suburban (curbs)	\$2,500.00
c. Commercial	\$2,500.00 per lane
4. If driveways are relocated in subdivisions where curb cuts have already been provided, these abandoned curb cuts shall be filled in or replaced by the Applicant as directed by the Highway Department.
5. If the driveway enters on a County or State road, obtain necessary permits from County or State
6. Lots that do not have legal frontage on a dedicated Town highway will not be approved.
