Re: Town Justice Court Operations

Dear Ms. Salomon,

As we at the Town know well, the COVID crisis has been a whirlwind of challenge and difficulty. From the very beginning, the professionalism and tenacity of our Town employees to set a tone of leadership and commitment has been unparalleled. Each department has risen to the challenge to redefine their roles and carry on to create a new normal.

Sadly, due to the ongoing nature of the crisis, these efforts have become a temporary solution. As work runs out and the Court remains closed, it has come time to evaluate current conditions and make some difficult decisions regarding the staffing in departments that are on hiatus.

Toward this end, the Town Board has deemed it necessary to furlough certain positions in the Town Court, including yours. The furlough shall become effective at 12:01 a.m. on May 22, 2020 and shall continue until such time as the Chief Administrative Judge of New York's 9th Judicial District directs that the Town Justice Courts may resume full operations and the Town determines that conditions are safe and appropriate to re-open.

It is the Town Board's understanding that you will be eligible to collect unemployment insurance benefits during the furlough period, but you must verify your eligibility directly with the New York State Department of Labor-Unemployment Insurance Division. Contact your local unemployment office for information on eligibility and applying for unemployment benefits. Present this letter to your local unemployment office as evidence of your employment status. Furthermore, during the furlough period, if you presently receive Town sponsored health insurance coverage, such coverage will continue, less any amounts that you are required to contribute, in accordance with your Collective Bargaining Agreement.

We thank you for that and the Town Board eagerly looks forward to your return at the soonest opportunity when conditions permit.
