

target users will be the OCIAA in order for track meets to be held at the property. 1400 students and spectators could be accommodated at the property for such events.

The applicant projects the creation of 12-15 full-time jobs and 30+ part-time jobs.

The applicant's representative stated that without benefits from the TOWIDA or OCIDA, he was doubtful that the project would move forward.

Following the completion of the presentation, the applicant's representative left the meeting. At that time, Agency Counsel went down to the Town Assessor's Office and was advised that the applicant has filed an application seeking a 100% real property tax exemption for the subject property as a religious use. The Assessor provided a copy of the application and printouts for the current tax invoices for the property which total \$8,500 annually.

The Board members discussed the project, which they believe will be a benefit to the community. However, the propriety of granting an application for IDA benefits for this type of project is a concern of the Board. The following initial questions were raised by the Board following the end of the presentation to be researched by Agency Counsel:

1. Is it permissible for an IDA to confer benefits on a non-profit 501(c)(3) religious corporation?
2. Is a non-profit 501(c)(3) corporation automatically entitled to sales tax exemptions in New York?

Once these questions are answered, Chairman Coyne will have a follow-up discussion with the applicant to determine if it is appropriate to move forward with a full application.

II. Adoption of Resolution: The Agency Members in attendance reviewed the proposed Agency documents for approval and ratification as of December 31, 2018: By-Laws, Certificate of Independence, Annual Disclosure Form, Mission Statement and Goals Measurement Report, Code of Ethics, Whistleblower Policy, Procurement Policy, Investment Policy and Uniform Tax Exempt Policy. The Members noted that each of them had received these documents from Counsel prior to the meeting and had read same in advance.

The following resolution was offered by Mr. Coyne and Seconded by Mr. Stewart:
