Importance: High

Hello,

Please see all the attached information regarding the Enterprise Lease Vehicles for the Building Department, the only change will be the color of the vehicles to Silver or White, whichever is readily available now. We are looking to acquire two vehicles in 2021 and place the order now for 4 more vehicles, which need to be ordered now for early 2022 delivery. These would all be five year leases. The 2021 Budget allows for \$24,000 which will more than cover the 2 vehicles that we will take possession of this year. The 2022 Building Department Vehicles budget will need to be increased to \$41,000 to cover the cost of all six vehicles in years 2022 through 2027. The continual rise in our Building Permit Fees will more than absorb this increase. The intent will be to surplus all of the existing Building Department Vehicles in 2022 with the exception of the 2017 Jeep Patriot that will be kept as a spare for the Town Hall Fleet. Below is the list of vehicles that we would be auctioning off in 2022, one of the 2008 Escapes (vehicle #27) is already out of commission with a bad transmission.

Thanks
Lou

Subject: Enterprise - Explorers

Good Afternoon Gents,

Hope your week is off to a great start. As we discussed last week, attached are two quotes:

- **2021 Ford Explorer Base 4x4** – this is for (2) two identical BLACK exterior SUVs, which the dealership can hold for only 24 hours. They are reasonably priced so we need to move quickly on approval in order not to lose them.
- **Estimated 2022 Ford Explorer Base 4x4** – this is our best estimated pricing on the same exact vehicle in the 2022 Model Year (BLACK exterior as well). The firm pricing should be available by early July. We can place the orders around that time as well so that they land around Feb/March 2022.

I have also attached a PDF showing an annual budget on these (6) six total vehicles being \$40,251.60. I know this is over the \$24k budget, but you only have six months of payments on the two dealership vehicles (~\$7,100 total) so any money 'saved' could be put towards next year to cover the difference.

Please let me know if you have any questions and or would like to go a different direction.

All the best,
Andrew
